

A SAD TRAGEDY IN WEST END

William Hines Met His Death at
Hands of Lester Kirby.

THE KILLING WAS ACCIDENTAL

The Two Young Men Were Hunting
Hogs, When Gun Was Accidentally
Discharged, Causing Death of Hines.
Young Kirby Was Distracted.

A sad tragedy occurred near Frank-
land, in the West End, the informa-
tion of which reached this city yester-
day. This tragedy cost Wm. Hines,
son of Mr. and Mrs. Wylie Hines, his
life, although it was purely an acci-
dent, and no one regrets the sad affair
more than the person in whose hands
the gun was held.

Lester Kirby and Wm. Hines, two
prominent young men of the neighbor-
hood, were in the woods hunting hogs.
They were trailing a narrow path
through the hammock, Hines in the
lead, with pieces elevated, when in
some unaccountable manner the gun
in the hands of Kirby was discharged,
the contents taking effect in the back
of Hines' head, killing him instantly.
Distracted with grief, young Kirby
rushed to the nearest house, stating
what had happened. He was accom-
panied to the scene, when the ghastly
sight came near causing the young
man at whose hands Hines had met
his death to faint. It was clearly a
case of accident, however, as the young
men had been firm friends since early
childhood, and the jury rendered a
verdict of accidental killing.

The funeral of the unfortunate vic-
tim was held from his home, Rev. L.
R. Thomas officiating.

This sad accident has cast a gloom
over the entire section in which the
parties are known.

MEETING OF SCHOOL BOARD.

Large Volume of Business Came Be-
fore the Meeting Tuesday.

A large volume of business came be-
fore the Board of Public Instruction at
its regular monthly meeting Tuesday.

The meeting was called to order at
an early hour in the morning by Chair-
man R. B. Weeks, and the full board,
comprising R. B. Weeks, T. A. Duke
and W. J. Martin, with Secretary J. L.
Kelley, were present.

There was a great deal of business to
come before the board, many districts
throughout the county making appeals
for one thing or another, and all left
apparently satisfied.

The board showed its appreciation of
a good thing by appropriating \$100 to-
wards the Industrial Edition of The
Sun, 20,000 copies of which will be is-
sued in November and distributed at
the State Fair and elsewhere. This edi-
tion, which will be handsomely printed
and profusely illustrated, will contain
a complete history of the schools of
Alachua county from the time of the
inauguration of the public school sys-
tem many years ago. The article will
be compiled in an authentic and inter-
esting manner, and will contain data
that cannot help but impress. Many
of the temples of knowledge of the
county will be reproduced, which will
go to illustrate the rapid advancement
made by Alachua county along the
lines of education within the past few
years.

HAWTHORN NEWS.

School Progressing—A Farewell Ser-
mon—Personal and Local Items.

Hawthorn, Oct. 3—Our school is pro-
gressing nicely under Prof. and Mrs.
Bell and the pupils all seem to be well
pleased.

Julian McRae is at home after a trip
over the county as census taker.

Miss Janie Stringfellow is at home
from a visit to Mrs. Hogan of Waldo.
Last Sunday Dr. Allen preached his
last sermon here for this year. We are
sorry to lose him and wish him much
success wherever he goes.

Miss Clara Sharman visited Gaines-
ville last week. She was a guest of her
sister, Mrs. W. E. Brown.

James Haynes, who has been visiting
his father, Rev. L. D. Haynes, has gone
to Kanapaha.

We are pleased to note that Miss
Ethel Sharman, one of Hawthorn's
brightest and prettiest young ladies,
secured a first grade certificate in the
September examination. This speaks
well for the Hawthorn normal as well
as for Miss Ethel, for she never had a
day's training in any other school. She
is teaching at Nocatee as first assistant.

Ernest McRae has gone to Oxford,
Ga., to enter Emory College.

We hear that Dr. Sippell is quite
sick in Micanopy, but hope soon to
learn that he is well.
